HOW TO APPLY FOR INCOME BASED MEMBERSHIP

Dear Applicants,

This is your instruction sheet for applying for an Income Based Membership here at the YMCA of Elkhart County. Memberships are processed on a first come, first serve basis, as openings are available.

1. Please read the instructions carefully! You **MUST** gather **ALL** required documentation to support your financial need. Please check the list of required documents provided on the back of the Income Based application sheet to be sure you have all the documents that apply.
2. Please drop off your information at the YMCA of Elkhart County. You **MUST** bring copies of all required documents and application to the Y.
3. We will determine what you qualify for from your **Gross Annual Income** for you and/or your family. Your **Gross Annual Income** is the total amount of income **BEFORE** taxes, insurance, garnishments, or other deductions are subtracted.
 - The **only** bills we may need to verify are extensive medical bills that are not covered by insurance.
4. Your ability to renew your Income Based Membership is based on **How often you and/or your family actually use the facility**. Please be sure to scan your card every time you visit so that you have a history of using the facility. Income Based Memberships who actively use and benefit from their YMCA membership. If you no longer qualify for an Income-Based Membership due to lack of usage, you may reapply within one year.

Respectfully,

Angelia Young
Membership Services Assistant
